# 2007 NC-SNAP

## Examiner Certification Training Schedule Updated 4/17/07

NC-SNAP certification is only available to persons who meet minimum qualifications as established by the LME and who will be responsible for completing or reviewing NC-SNAP assessments as part of their job responsibilities. To facilitate the registration process, supervisors of staff responsible for completing the NC-SNAP should electronically forward (i.e., by email attachment) a completed NC-SNAP registration form to the LME's NC-SNAP training coordinator. NC-SNAP examiner certification training requests are accepted at the training sites by Local Management Entity (LME) referral only, and registration requests cannot be accept by the training sites directly from provider agencies.

Please note that there is typically a big demand for NC-SNAP training and all persons registered are requested to call in advance if unable to attend to allow someone on the waiting list to attend. Persons who do not cancel in advance and do not show up for a scheduled training session may be prevented from re-registering for a minimum of ninety days. Additionally, NC-SNAP examiner certification training requires all of the allotted time and persons arriving excessively tardy will not be admitted.
