Community Conversation

YOUR STORY MATTERS

Have you seen or experienced communication barriers here in North Carolina? We want you to tell us what happened and how it affected you.

We are collecting stories from Deaf, DeafBlind, and Hard of Hearing individuals, as well as family members, interpreters, and anyone else connected to the community. Your feedback will help improve communication access across our state!

American Sign Language interpreters and CART captioning will be provided. You can request additional accommodations when you RSVP.
