

Creative

Expressive

Arts Program

Therapeutic Services Team

BMNTC has a team of Board Certified Professionals with significant experience in the field of physical therapy, occupational therapy, psychology, speech and language pathology, and recreational therapy.

Creative Expressive Arts Program

Creative Expressive Arts professionals provide group and individual activities utilizing music, dance/movement, painting and other visual arts mediums. For more information, [click here](#)

Pet Therapy & Equestrian Program

Animal Assisted Therapy offered through Pet Therapy and Equestrian programs helps to improve resident's social, emotional, and cognitive functioning.

Aquatics

The Aquatics area of BMNTC is a 3,400 square-foot glass-enclosed pool area providing beneficial year-round therapy and social relaxation.

Greenhouse

Residents assist with plants, flowers, and milkweed in the BMNTC Greenhouse.
