

Community Conversation

YOUR STORY MATTERS

Have you seen or experienced communication barriers here in North Carolina? We want you to tell us what happened and how it affected you.

We are collecting stories from Deaf, Hard of Hearing, and DeafBlind individuals, as well as family members, interpreters, and anyone else connected to the community. Your feedback will help improve communication access across our state!

At the end of the two-hour session, participants will have an additional 30 minutes to take an optional survey supporting this project.

American Sign Language interpreters and CART captioning will be provided. You can request additional accommodations when you RSVP.
