

# Central Regional Hospital

## Special Services

### **Legal Services**

If you are unable to pay for legal services, you can receive free legal aid services from the office of Disability Rights of North Carolina. You may call 1-877-235-4210 or send correspondence to: 2626 Glenwood Avenue, Suite 550, Raleigh, NC, 27608. Representatives from the program visit the hospital on a regular basis and will meet with you and other patients in the hospital. Ask your nurse or other unit staff for the times and places for these visits.

### **Pastoral Services**

Pastoral care, pastoral counseling, and religious services are available to the patients of CRH. We are also sensitive to the pastoral needs of the family members of patients and our hospital staff, especially as they struggle with issues relating to and caring for our patients.

Worship services are provided weekly for patients, as well as other seasonal services and programs. Occasionally Memorial Services are held for patients and staff members who have died, to give witness to their life and presence among us, as well as to facilitate our process of grieving.

The Department is staffed by two Clinical Chaplains and a part-time Minister of Music. A chaplain is in the hospital Sunday through Thursday, 8:00 a.m. to 5:00 p.m. Referrals and requests to speak to a chaplain can be made by calling the Department of Pastoral Care and Education. In case of an emergency, a chaplain can be reached during evenings and weekends by calling the hospital operator.
