--

Effective March 31, 2025, Hungary joined the Central Authority Payment (CAP) service as a participating foreign authority and discontinued acceptance of child support payments in the form of paper checks drawn on US financial institutions. All international cases with Hungary in the Automated Collections and Tracking System (ACTS) have been identified and updated with the CAP Service FIPS code. North Carolina will send payments on international cases with Hungary to the CAP Service using the Automated Clearing House (ACH) electronic process. The CAP Service will then transmit those payments electronically to Hungary through the Federal International Treasury Services.

Payments processed through the OCSS CAP Service will be transmitted once per week. Payments received by the CAP Service by Monday, will be transmitted to Hungary on Wednesday of that week. Those payments will be available to Hungary by the following Monday.

If you have any questions, please contact the Policy and Training Unit at csetraining@dhhs.nc.gov or your Regional Continuous Quality Improvement (CQI) Specialist.

Sincerely,

Verna Donnelly
North Carolina State Child Support Deputy Director
