NC Child Welfare Trauma-Informed Assessment Communities of Practice

When, Where, & Why:

- When: Quarterly in each NCDHHS DSS Region
- Where: Virtually Via Microsoft Teams (be on the lookout for your invite!)
- Why: Be a part of the implementation and sustainability of the NC Child Welfare Trauma-Informed Assessment.

*Being a part of Communities of Practice isn't just another meeting -
it's a chance to be a part of meaningful change!*

As a Communities of Practice Member You Will:

- Feel energized by problem-solving alongside others who get it.
- Be proud to see families benefit from ideas you brought forward.
- Be connected to a statewide movement bigger than any one agency or one system.
- Feel fulfillment knowing that your expertise and lived experience created lasting improvements for children, families, and system improvements.
