NC Therapeutic Family Foster Parent Pre-Licensure Training Curriculum

Prior to the beginning of training, Licensing Staff should:

Show parent(s) how to access the Self-assessment and have them complete it. It will be referenced in the first session, so it is important that they complete it in preparation for training Training Structure:

- -Training is based on 40 hours up to 3 hours of which can be self-guided modules.
- -Note Trainings can be done in-person, virtually or hybrid. Pre/Post tests to be completed after each theme, can be completed electronically, must be provided to the trainer and submitted to the state to Cynthia.ogle@dhhs.nc.gov. Fidelity forms are filled out by trainer after the delivery of the themes and submitted to the state Cynthia.ogle@dhhs.nc.gov.

Right-Time Trainings delivered as instructor-facilitated group sessions must include the completion of Pre/Post tests for each theme. Instructors are required to follow the conversion instructions outlined in the *Right-Time Training Guide for Support Group Leaders* when adapting the content for group delivery. The Pre/Post tests can be completed electronically, must be provided to the trainer, and submitted to the state to Cynthia.ogle@dhhs.nc.gov.

Instructor facilitated pre-licensure training can be completed in increments of 7, 10, 14, etc. sessions at the agency discretion. All training hours must be completed in the order listed below.
