The Division of Aging and Adult Services (DAAS) is pleased to release the Adult Services Training Catalogue for state fiscal year (SFY) 2023 – 2024, that includes virtual and in-person training opportunities.

To better serve your agency, additional courses are offered and training courses have been organized into new training tracks to clearly identify the best suited training for your Adult Services workforce. You can find the Training Tracks Map and the new courses offered in the Adult Services Training Catalogue.

The DAAS LMS system is now available for your agency. Registration information and training materials can be found by logging into the DAAS LMS at: <https://ncdaas.myabsorb.com/>. The schedule for trainings can also be accessed at the [Special Assistance /Adult Services SharePoint](#).

Please remember, if you have new adult services staff at your agency that need access to the LMS platform, they should register using the [Technical Assistance Form](#). All new user information will be processed, and they will be added to the DAAS LMS system within seven (7) business days of completing and submitting the form.

If you have additional questions, please contact the DAAS Adult Listserv at DAAS.AdultServices@dhhs.nc.gov.
