

Community Conversation

JOIN THE CONVERSATION

We're collecting stories across North Carolina to learn where communication barriers affect Deaf, Hard of Hearing, and DeafBlind individuals.

Now we're specifically inviting interpreters to share firsthand experiences with accessibility, communication needs, and real-world barriers. Your expertise is key, and your feedback will help improve communication access across our state!

American Sign Language interpreters and CART captioning will be provided. You can request additional accommodations when you RSVP.

WHEN

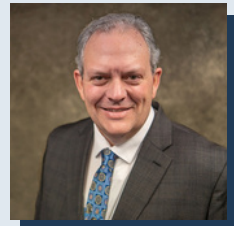

Tuesday, Dec. 1, 2026
5:30 - 7:30 p.m.

WHERE

Virtual session hosted on
Zoom - <https://bit.ly/4yy6oIS>
