

Community Conversation

YOUR STORY MATTERS

We're collecting stories across North Carolina to learn where communication barriers affect Deaf, Hard of Hearing, and DeafBlind individuals.

Now, we want to learn more about accessibility for the DeafBlind community by hearing directly from consumers, family members, and advocates. Your feedback can improve communication access across our state!

American Sign Language interpreters and CART captioning will be provided. You can request additional accommodations when you RSVP.

WHO

DSDHH Director Tony Davis and his team

WHEN

Monday
Dec. 7, 2026
9:30 a.m. - 12:30 p.m.
