## 10A NCAC 06R .0401 GENERAL REQUIREMENTS

- 4 (a) The facility and grounds of an adult day care program shall be approved by the local environmental health
- 5 specialist, the local fire safety inspector, the county department of social services, and the North Carolina Division of
- 6 Aging and Adult Services.
- 7 (b) The facility shall comply with all applicable zoning laws.
- 8 (c) There shall be adaptable spaces, as defined in Rule .0201(2) of this Subchapter, suitable for activities for
- 9 participants. Spaces shall provide opportunities for participants to get together as a group as well as privacy for quiet
- 10 times.
- 11 (d) The facility shall provide at least 40 square feet of indoor space for each participant in the portion of the buildings
- 12 utilized for adult day care programs. This minimum square footage excludes hallways, offices, and restrooms.
- 13 (e) If meals are prepared within the facility, the kitchen shall meet environmental health rules, as defined in 15A
- 14 NCAC 18A .3300.
- 15 (f) Storage areas must be adequate in size and number for storage of clean linens, dirty linens, cleaning materials,
- household supplies, food, equipment, and program supplies. A separate locked area for storing poisons, chemicals or
- 17 other potentially harmful products (cleaning fluids, disinfectants, etc.) shall be provided.
- 18 (g) A minimum of one male and one female toilet shall be located in each facility and accessible in accordance with
- 19 the North Carolina Accessibility Code, which is hereby incorporated by reference, including any subsequent
- amendments or additions and can be obtained through the North Carolina Department of Insurance, 1202 Mail Service
- 21 Center, Raleigh, NC 27699-1202 at a cost of sixty-two dollars and 00/100 (\$62.00). One toilet shall be available for
- 22 each 12 adults, including staff and participants who utilize the facility. One hand lavatory shall be provided for each
- 23 two toilets.
- 24 (h) All rugs and floor coverings must be fastened down. Loose throw rugs are not allowed. Floors shall not be
- 25 slippery.
- 26 (i) A telephone shall be available for participants to make and receive calls. A pay station telephone is not acceptable
- 27 for local calls.
- 28 (j) Unless identified by the Division of Aging and Adult Services as shared space, the area certified for adult day care
- shall be used for the sole purpose of the adult day care program and its activities during hours of program operation.
