**Communication sent on behalf of Matt Herr, Acting AD for System Performance, DMHDDSAS, and Deb, Goda, BH Unit Manager, NC Medicaid**

In follow up to the April 22, 2019 communication (posted under Provider Monitoring/Special Announcements on the DHHS webpage) the *DHHS Monitoring Tools and DHHS Review Tool for LIPs, Group Practices and Agencies Billing Outpatient Services (only)* guidance documents have been updated and are now posted to the following DHHS website:

- <https://www.ncdhhs.gov/providers/provider-info/mental-health/provider-monitoring>.

The update to the guidance documents does not diminish or reduce the LME-MCOs responsibility/authority for oversight and monitoring of their Provider Networks.
