

**ALAMANCE COUNTY PRIOR CPS HISTORY  
INVOLVING**

**Child's name, DOB 6/16/2003**

**Child's name, DOB 6/6/1998**

DATE	ACTION	ALLEGATIONS	OUTCOME
12/17/98	Abuse/neglect report received	The child, B.S., was a no-show for a follow-up appointment for his ears. When the child was seen there were marks on the child's face.	Report accepted and initiated an investigation of the child.
1/6/99	Substantiation of neglect	This case was substantiated for lack of proper care due to the mother's failure to seek medical care for the child.	Case transferred to case management for services.
1/21/99-9/29/99	Case management services	Case management services offered to mother. The mother sought necessary medical treatment for child and the sores healed on his face.	It was determined there were no more protection issues and the case was closed.
8/17/03	Abuse/neglect report received	Three-year-old child admitted to UNC-Intensive Care with subdural hematoma. Child placed on life support. Mother and stepfather's various explanations are not consistent with injury. Three-year-old has bruising on lower extremities and buttocks. A five-year-old child has not been seen and location is unknown.	Report accepted and initiated on both the three year old and five year old.

8/17/03	Investigation Initiated	Central Registry search conducted on mother and stepfather. Agency files reviewed for child protective services history. Local criminal record check conducted on the mother and stepfather. Check of 911 calls to addresses where mother has resided. Named father contacted via telephone by Program Director to inform him of three-year-old status. A message was left at a phone number given for named father with pager number left on voice mail.	Decision to take non-secure custody made and Judge contacted for approval.
8/17/03	Non-secure custody order granted for the three and five year old	At or about 8:30 p.m., the three-year-old is declared brain dead. Mother and putative father made decision to take child off life support. The five-year-old is located and taken to Alamance Regional Medical Center for examination because of observed injuries.	The three year old remains at UNC-Hospital. After examination, the five year old is placed in foster care.
8/18/03		The three year old was pronounced deceased at or about 4:00 a.m. Medical examiner list cause of death as homicide due to blunt force trauma to the head.	CPS case on three-year-old child closed due to fatality. Stepfather charged with felony child abuse. Five-year-old remains in foster care and investigation continues.

**Screened Out Cases**

7/14/98      Report of neglect received but screened out because report did not meet the statutory requirement.
