Dear County Directors of Social Services

Attention: Food and Nutrition Services Managers and Supervisors

Subject: North Carolina State Nutrition Action Coalition (NC SNAC) Flyer

Priority: Information and Action Required

The North Carolina State Nutrition Action Coalition (NC SNAC) is a state-level collaborative with active representation from state agencies and nonprofits that implement United States Department of Agriculture/Food and Nutrition Services (USDA/FNS) programs. Together, the SNAC partnering organizations reach people throughout their life span, providing food benefits, nutrition education, healthy community changes, and obesity prevention services to reduce food insecurity and improve the quality of life of North Carolinians. This organization has developed the enclosed flyer and a link to the Nutrition Resource Guide.

The NC Food and Nutrition Resource Programs quick reference guide provides a snapshot of 14 different USDA/FNS programs available in North Carolina. These programs provide a vital source of support and act as a stimulus for local economies. This flyer is designed to be used by anyone that directly works with people who may benefit from these USDA programs and how to access them.

Each local county DSS agency will receive (50 flyers in English and 25 flyers in Spanish) in the coming weeks to distribute throughout the agency.

NC Food and Nutrition Resource Programs quick reference guide is also available in a downloadable printable PDF version via the <u>SNAC website</u> or you may contact Connie Dixon at 919-527-6319 or <u>connie.dixon@dhhs.nc.gov</u> if your agency would like additional flyers.

Sincerely.

David Locklear, Deputy Director
