Buncombe County Department of Social Services In-Home Services

INITIAL HOME VISIT

Case Name/Number

The social worker discussed the following information with me:

- 1. The reason for Child Protective Services – In-Home Services involvement. Family was informed that DSS has the authority to remove the children from the home, if the risk cannot be reduced; however, our goal is to keep the children safe in the home.
- 2. Fire safety plan discussed, including checking smoke detectors; pamphlets given regarding fire safety information.
- How to contact social worker in an emergency after hours, weekends, and holidays. 3.
- 4. The need to develop together a Family Services Case Plan and a Child and Family Team will be started.
- 5. Absent effective preventive services, foster care is the plan for the child(ren).
- 6. Completed Health and Educational Assessment with family discussed:

- educational services
- medical services dental services
- - mental health services

Children's Developmental Services Form completed on all children under 3 years.
