Table 2

Service (and 2-3 sentence description)	Catholic Charities Diocese of Charlotte (Family	Using a family system model, Catholic Charities utilizes a comprehensive, strength-based approach to				
	Counseling)	working with school-age at-risk youth and their families. Family counseling with adjunct individual and group counseling promotes unity, strengthens communication and the overall family structure, decreases problem behaviors of youth while building strengths and improving coping skills, and prevents youth from entering the juvenile court system. Free counseling is offered in English and Spanish				
	Juvenile psychological Services-Forsyth County (Assessments)	Juvenile Psychological Services in Forsyth County provides approximately 200 forensic psychological evaluations annually to the Juvenile Court in our community. These specialized assessments utilize current science in assessing risk and dangerousness in juveniles as well as determining the most appropriate evidence based programs to refer juveniles to for treatment				
	Strengthening Families Program for Parents and Youth Ages 10-14 (Individual Counseling)					
	Montgomery Youth Services (Assessments)	Program will provide referral, scheduling and testing of identified court referred youth				
	Moore Youth Services (Assessments)	Psychological evaluations assist Moore County court counselors in securing the appropriate resources for youth involved with the Division of Juvenile Justice. The target population is Moore County youth between the ages of 6 and 17 who are involved with the Division of Juvenile Justice. The goal is to provide this invaluable tool in assessing the needs of court involved youth in a timely manner				
	Randolph Psychological Assessment Program (Assessments)	Randolph Psychological Assessment Program will provide for the referral, scheduling and testing of identified court- involved youth ages 7-17. These assessments are critical tool in determining appropriate services to meet the needs of these youth. Sex Offenders assessment are ordered by the court and are				

		necessary in determining the disposition of an adolescent sex offender
	Alternatives to Commitment Expansion (Home Based Family Counseling)	Program will provide home-based family counseling, Cognitive Behavioral Therapy, parenting classes and therapeutic enrichment to male and female Level III youth, Level II and/or Level I youth ages 10-17 referred by Juvenile Court in need of Level II services in Rockingham, Stokes and Surry Counties. Program utilizes evidence-based programs including Cognitive Behavioral Therapy, Brief Strategic Family Therapy and Strengthening Families curriculum
	Alternatives to Commitment Program (Home Based Family Counseling	Program will provide home-based family counseling, Cognitive Behavioral Therapy, parenting classes and therapeutic enrichment to male and female Level III youth and/or Level II youth ages 10-17 referred by Juvenile Court in need of Level II services in Rockingham, Stokes and Surry Counties. Program utilizes evidence-based programs including Cognitive Behavioral Therapy, Brief Strategic Family Therapy and Strengthening Families curriculum
	Rockingham County Youth Services (Individual Counseling)	Youth Involvement Individual Counseling program provides counseling services to adjudicated or at-risk youth. Evidence based models are cognitive-behavioral and solution-focused; these models emphasize changing behavior by addressing psychological and interpersonal problems related to school, family and community environments. Program serves males and females ages 6-17; referrals are accepted from Juvenile Court, law enforcement, schools, DSS, health professionals, and parents
	Rockingham County Youth Services (Family Counseling)	Family counseling employs therapeutic models that are systems-based, including structural family which emphasizes parent responsibility in achieving change in the family. Elements of cognitive-behavioral therapy and solution-focused therapy are also utilized. Target population is males and females ages 6-17; referrals are accepted from Juvenile Court, Law Enforcement, schools, DSS, health professionals and parents; Level II and Level III services for court referred youth only.
	Insight Human Services-Stokes (Substance Abuse Counseling)	The program serves 7-17 year olds, male and female, referred by juvenile court, law enforcement, schools and community agencies, who have been identified as at-risk or delinquent. The Evidence Based models used in the program Motivational Interviewing and Seven Challenges. Program recipients will receive clinical assessments, individual, group and family counseling, as well as case management to address the problems of substance abuse and the complications that accompany it
	Parents and Teens Together (Home Based Family Counseling)	This Home Visitation and Parents/Family Skill Building program serves at-risk and court involved males and females, ages 7 -17 and their parents. The program is designed to maintain youth in the home environment and reduce recidivism, improve parent-child relationship, problem solving skills, and enhance parenting skills. This evidence-based model is recognized by the National Exchange Foundation, and the Skill Building classes use the evidence-based Strengthening Families curriculum
	Stokes Family Counseling (Family Counseling)	Counseling for juveniles, ages 6-17, along with their families to work on issues causing a problem in the family unit. Counseling will be provided for youth referred from DJJ, schools and parents/guardians. Parenting classes will be offered twice during the fiscal year. Parenting curriculum will be either (STEP) or Parenting Wisely, both which are evidenced based by NREPP

	Parents and Teens-Surry (Home Based Family	This Home Visitation and Parents/Family Skill Building program serves at-risk and court involved males and
	Counseling)	females, ages 7 -17 and their parents. The program is designed to maintain youth in the home
		environment and reduce recidivism, improve parent-child relationship, problem solving skills, and enhance
		parenting skills. This evidence-based model is recognized by the National Exchange Foundation, and the
		Skill Building classes use the evidence-based Strengthening Families curriculum
	Surry Individual/Group Counseling (Individual	Individual counseling for juveniles, ages 6-17, to work on issues: gang avoidance, trauma focused, family
	Counseling)	issues, school behavior issues and anger management. Counseling will be provided for youth referred from
		DJJ, schools and parents/guardians. Counselors use PATTS evidence-based curriculum for groups
		recognized by NREPP
	Surry Individual/Group Counseling (Family Counseling)	Counseling for juveniles, ages 6-17, along with their families to work on issues causing a problem in the
		family unit. Counseling will be provided for youth referred from DJJ, schools and parents/guardians.
		Parenting classes will be offered twice during the fiscal year. Parenting curriculum will be either (STEP) or
		Parenting Wisely, both which are evidenced based by NREPP
