## Introduction

This is the **Third Quarter Report** for SFY 2018-2019 under the Performance Contract between the LME-MCOs and NC DHHS.

This report tracks LME-MCO performance (timeliness, completeness, accuracy) in submitting required data/reports to the Division of MH/DD/SAS. Some requirements are quarterly while others are semi-annual or annual requirements. For reasons of economy, only those requirements with a report due in the current quarter are included in this report.

The tables on the following pages list the report schedule, provide the performance requirements, and show LME-MCO performance for the current quarter. Data submission/report requirements that have been met are depicted with a star (★) in the standard met column for each report. If the requirement was not met, this column will be blank, and the element that caused the standard not to be met will be shaded red. Graphs at the end show each LME-MCO's overall performance compared with the state average over the past three state fiscal years on meeting reports and data submission requirements.

Overall, the LME-MCOs met 97 percent of the five report submission requirements and 96 percent of the ten data submission requirements measured this quarter. Three LME-MCOs met all 15 report and data submission requirements this quarter. Four LME-MCOs met 14 of the 15 report and data submission requirements this quarter.

## **Appendix: Summary of Revisions Made to the SFY2019 Third Quarter Report**

**Page 2 - Introduction** - Overall, the LME-MCOs met 97 percent of the five report submission requirements and 96 (previously 93) percent of the ten data submission requirements. Three LME-MCOs met all 15 report and data submission requirements (no change). Four LME-MCOs met 14 of the 15 report and data submission requirements. Previously Two LME-MCOs met 14 of the 15 report and data submission requirements, and two LME-MCOs met 13 of the 15 report and data submission requirements this quarter.

**Page 3 - Table of Contents** - Added an Appendix summarizing revisions.

**Page 5 - Performance Summary** - shows higher performance (higher number of data submission requirements met) for two LME-MCOs. Alliance Health and Sandhills Center met 9 of 10 data submission requirements (previously 8 of 10). Both LME-MCOs met 14 of 15 total measures this quarter (previously 13 of 15).

**Page 21 - Table 17. NC Support Needs Assessment Profile (NC-SNAP)** - An error was discovered in the query used to pull the data for this measure. This included some prior year data in the 2018-2019 data and resulted in lower percentages "no more than 15 months old" for 6 LME-MCOs and caused two LME-MCOs (Alliance Health and Sandhills Center) to fall below the 90% cutoff for meeting the performance standard. The query was corrected. This changed the numbers and percentage of records "no more than 15 months old" for all LME-MCOs and resulted in all LME-MCOs exceeding the performance standard for this measure.

**Pages 22 - 28 - Trend Graphs** - Alliance Health's and Sandhills Center's data submission trend graphs were updated to show they met 90% of requirements this quarter. All LME-MCO data submission trend graphs were updated showing 96% (previously 93%) of statewide data submission requirements were met this quarter.
