To access registration details and training materials for the new state fiscal year, visit: <https://ncdhhs-adult-services.myabsorb.com/#/login>

The training schedule is also available via the [DHHS Adult Services Share Point](#).

Catalog Overview

The catalog includes concise descriptions of each course, along with session dates, duration, and designated instructors. For questions about a specific course, please contact the instructor listed within the catalog. Consistent with previous years, courses will be delivered either virtually via Microsoft Teams or in person in Raleigh.

Each year, DSS continues to expand the number and variety of training topics to better support counties in serving North Carolina's adults and families.

New Features in the LMS

- **Training Calendar**

A state fiscal year calendar has been added to the LMS to offer a visual, month-by-month overview of Adult Services training opportunities. These calendars are designed to assist staff in identifying available sessions and planning accordingly.

Virtual Training Requirements

- **Microphone Requirement**

To receive credit for participation in virtual trainings, attendees must join using a working microphone and be prepared to actively participate when called upon. Further details are available in the announcement section of the training catalog.
