This table shows the total duplicated and unduplicated counts of children enrolled in only one program who participated in NC ECIDS during the 2013-2014 State Fiscal Year.

<sup>1</sup>**Ages 0-5 Years** includes children from birth to six years old minus one day.

<sup>1</sup>**Under 1 year** includes children from birth to one year old minus one day.

<sup>1</sup>**1 year old** includes children from one year old to two years old minus one day.

<sup>1</sup>**2 years old** includes children from two years old to three years old minus one day.

<sup>1</sup>**3 years old** includes children from three years old to four years old minus one day.

<sup>1</sup>**4 years old** includes children from four years old to five years old minus one day.

<sup>1</sup>**5 years old** includes children from five years old to six years old minus one day.

<sup>2</sup>The column labeled **Total Children Enrolled** represents the total number of children enrolled at least one time in each program during the 2013-2014 State Fiscal Year. While some children may have been enrolled in a program multiple times within the year (e.g. because of eligibility status or moving), each child is only counted once regardless of how many times they enter or exit during the 2013-2014 State Fiscal Year.

<sup>3</sup>The two columns under the label **Children Receiving Only this Program** reflect the number and percent of children who were only enrolled in a given program, but not enrolled in any of the other programs listed. This provides an unduplicated count of children in each of these early childhood programs and services. For example 7,824 children were enrolled only in Child Protective Service (CPS) and no other programs, accounting for 24.5% of the CPS total enrollment. That also means that 75.5% of children served by CPS were enrolled in at least one other program.

<sup>4</sup>**VTSTS** = Values Too Small To Show

#### Notes

1. Each agency and program participating in NC ECIDS maintains its own data, and each one has protocols for data entry and data quality. NC ECIDS does not conduct any additional data quality measures. All programs ensure the highest quality data to the extent possible.
2. When there is a count of children fewer than 10 in any cell, that number will not be shown. Those cells will display as VTSTS (Values Too Small To Show). When there are no children that meet the specific criteria within a cell (N=0), the cell will display as 0.0%.
3. All numbers may not add up to 100% due to rounding. It is also possible that some rows and/or columns may not be based on a total of 100%, so the user should read each table carefully.

#### NC ECIDS Programs in the Report

Child Protective Services (CPS)

Exceptional Children Preschool (IDEA Part B Sec. 619)

Food and Nutrition Services (FNS); also called Supplemental Nutrition Assistance Program (SNAP)

Infant/Toddler Program (ITP); also called IDEA Part C

NC Pre-kindergarten Program (NC Pre-K)\*

Subsidized Child Care Assistance (SCCA)\*\*

\*Title I Pre-K is not included within NC ECIDS services. There may be children participating in NC Pre-K who receive Title I assistance or are in a classroom receiving Title I assistance, but that is not captured here.

\*\*Subsidized Child Care Assistance does not include subsidies provided by Smart Start.
