Farmers' Market Delayed Signature Procedure

The *Sign Later* button allows WIC staff to issue and print FMFIs (FM coupons), then select *Sign Later* from the *Sign for Farmers Market Instruments* screen. When the participant arrives for pick up, the staff will then select *Delayed Signature for FMFI Issuance* from the **Food Maintenance** container on the Home screen and capture the signature for the receipt of the FMFIs.

May 2, 2017: Farmers Market Delayed Signature...Page 1 of 4

The **Food Maintenance** container on the Home Page has been modified to include a new link for *Delayed Signature for FMFI Issuance*.

Below is the grid triggered when *Delayed Signature for FMFI Issuance* is selected from the **Food Maintenance** container. The grid is named *Delayed Signature FMFI List*.

From the Delayed Signature for FMFI screen, the user will be able to perform the following activities:

(*I*) Capture the signature for the receipt of the selected family's FMFIs that have been printed.

 (\mathbf{X}) Void FMFIs for a selected family that have been printed.
