Obligations incurred and expenditures made under this advice are subject to limitation published by federal and state agencies and the availability of funds. In order to maximize the utilization of adult services program funds a realignment of program funds may occur. These realignments (if necessary) will occur in January 2022 and May 2022 based on received requests for additional funding resources and confirmed availability of funding from counties that are not utilizing all of their programmatic funds. Funding realignments reducing funding will be non-recurring unless the same program reduced funds in SFY 2020-2021. If prior year program funding was reduced, the amount of the recurring reduction will be the lesser amount of the two fiscal periods.
