

Inclusion Works Data Summary

Inclusion Works offers services and supports to help individuals with intellectual or developmental disabilities (I/DD) find and maintain integrated jobs in the community (<u>CIE</u>). Below are some key data metrics we are tracking to monitor progress in NC:

Employment Trends Over Time

Competitive Integrated Employment (CIE)

Working in the community alongside other colleagues without disabilities, earning at least minimum wage, and receiving the same benefits and opportunities as other employees doing the same job.

Adult Developmental Vocational Programs (ADVP):

Provide organized developmental activities for individuals with intellectual/developmental disabilities to prepare the individual to live and work as independently as possible.

Employment Assessments are ongoing for individuals in non-CIE jobs, with 74 assessments completed to provide an Informed Choice regarding employment and 78% of people choosing CIE so far. Informed Choice No Unsure Yes 7 5 62 74

Supported Employment (SE)

Helps individuals achieve and maintain CIE by offering job placement, intensive training, and ongoing support in their jobs once they are stable in their jobs.

Initial SELong-Term Vocational Services

1822

756

The **2578** SE individuals include 1822 people finding, achieving, and getting settled in their jobs, and 756 people in Long-Term Vocational Supports to stay successful and grow in their work.

Pre-Employment Transition Services (Pre-ETS)

Pre-Employment Transition Services (<u>Pre-ETS</u>) help in-school youth develop work readiness skills, explore career pathways, and prepare for their future.

In the last 12 months, there were **2,665 new Pre-ETS** participants.

Vocational Rehabilitation (VR) Services

The Division of Employment & Independence for People with Disabilities (EIPD) provides vocational rehabilitation (VR) services to help individuals overcome disability-related barriers and achieve goals for CIE and more.

In the last 12 months, there were 1,880 new VR cases.
