Have you been affected by COVID-19?

- Have you or someone in your family been exposed and needs to isolate/quarantine?
- Have you or someone in your family tested positive and needs to isolate/quarantine?
- Are you or someone in your family unable to work?

If your answer to any of these questions is yes, we are here to help you.

We have Community Health Workers who can support and help you find community resources to help lessen the impact COVID-19 can have on your life.

Ask for the list agencies who could help you!

If you must leave your home, remember to practice the 3Ws!
