

## *Murdoch Developmental Center*

### **MISSION**

MDC provides exceptional clinical and person centered supports in a safe and homelike environment as an essential component of a continuum of services in North Carolina for people with developmental disabilities and significant behavioral or medical needs.

### **VISION**

Through the provision of state-of-the-art services, underserved men, women and children with complex support needs have the opportunity to live, learn, work, and play as valued members of their community.
