Introduction

This is the **Second Quarter Report** for SFY 2020-2021 under the Performance Contract between the LME-MCOs and NC DHHS.

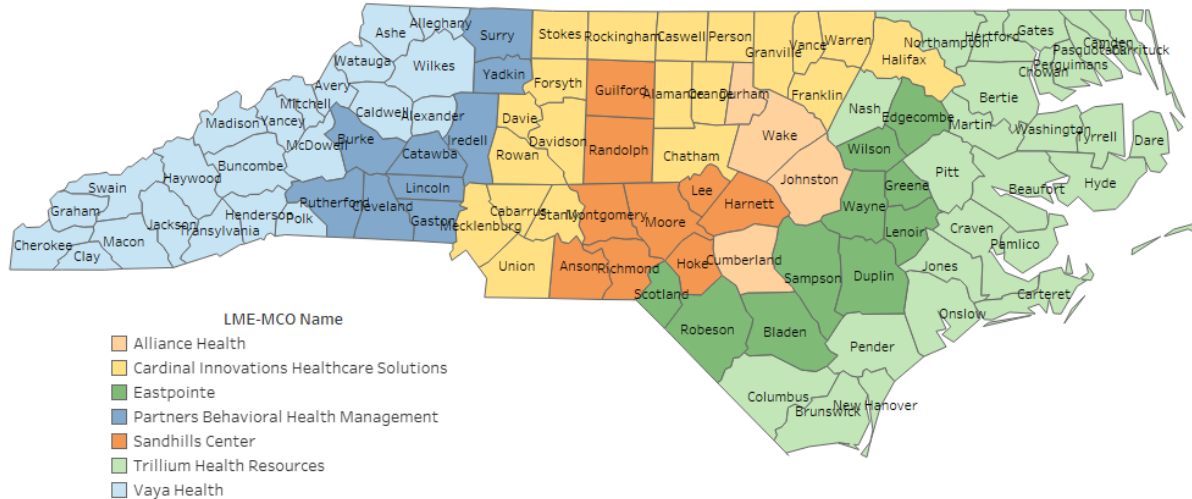

This report tracks LME-MCO performance (timeliness, completeness, accuracy) in submitting required data/reports to the Division of MH/DD/SAS. Some requirements are quarterly while others are semi-annual or annual requirements. For reasons of economy, only those requirements with a report due in the current quarter are included in this report.

The tables on the following pages list the report schedule, provide the performance requirements, and show LME-MCO performance for the current quarter. Data submission/report requirements that have been met are depicted with a star (★) in the standard met column for each report. If the requirement was not met, this column will be blank, and the element that caused the standard not to be met will be shaded red. Graphs at the end show each LME-MCO's overall performance compared with the state average over the past three state fiscal years on meeting reports and data submission requirements.

Overall, the LME-MCOs met **100 percent** of the five report submission requirements and **94 percent** of the nine data submission requirements measured this quarter. **Four** LME-MCOs met the 14 report and data submission requirements this quarter. **Two** LME-MCOs met **89 percent** of the 14 report and data submission requirements this quarter. **One** LME-MCO met **78 percent** of the 14 report and data submission requirements this quarter.

Items that are marked "N/A" on the Summary of Performance matrix indicate reports or data submission requirements that do not apply to a specific LME-MCO.

Questions or Concerns

If staff of an LME-MCO have questions about any of the individual requirements or believe that information contained in this report is in error, they should contact their LME-MCO liaison within 30 days of the report date. The LME-MCO liaison will assist in getting answers to questions and/or having errors corrected. The Division will publish a revised report at the time of the next quarterly report if corrections are necessary due to Division errors.
