Feedback

• How do we support individuals with I/DD to seek and maintain CIE?
  – Recall CIE is defined as employment in an integrated community setting, making minimum wage or higher, where individuals are afforded the same opportunities as others working in the same setting.

• What are the barriers?
  – How do we mitigate those?

• Key factors to strengthen SE and CIE?

• Keys to succeeding at accomplishing CIE goals?

• What are your thoughts around training needs?

Innovations Waiver & Service Delivery System
Psychological Evaluations

• Clinical Coverage Policy 8E-5.3 Comprehensive Functional Assessment (CCP 8P-1.1 references 8E; 3.2.2)

  − Within 30 calendar days after a beneficiary is admitted to an ICF/IID, the Interdisciplinary Team shall perform an accurate comprehensive functional assessment or reassessments as needed to supplement the preliminary evaluation conducted prior to admission. (42 CFR §483.440 (c)(3).

  − The comprehensive functional assessment of each beneficiary must be reviewed annually by the Interdisciplinary Team for relevancy and updated as needed, and the [ISP] must be revised, as appropriate(42 CFR§ 483.440(f)(2) by the qualified professional(QP).
Psychological Evaluations Continued...

• There are no Medicaid or state-funded service criteria requirements requiring psychological evaluations be completed at a specific interval.
Psychological Evaluations Continued

NC Medicaid is exploring extending this current Appendix K language:

• The psychologists, psychological associates or physicians performing initial evaluations of level of care for waiver beneficiaries may use historical medical or psychological evaluations / assessments to determine appropriateness for entrance to either the NC TBI or NC Innovations Waiver.

• Documentation must support that entrance criteria is met.
Psychological Evaluations Continued

• Innovations Waiver: The only requirement for the renewal plan is a check box on the signature page that the individual continues to meet ICF-IID LOC.
  
  − CC, as a part of the person-centered planning team, makes the decision if an updated evaluation is needed due to changes in the individual’s needs.

• NC DMH/DD/SAS is reviewing current service definitions to determine how language can be updated to support individuals with Developmental Disabilities without cognitive impairments.
Technology in Service Definitions

• Remote Support
  – Currently in TBI Waiver Pending CMS Approval
  – Refer to Draft Remote Support Definition in Attachments
  – Allows use of Technology (Monitoring System using Video, Web-Cameras, & Other Technology) for Provision of Services
  – Goal of Service:
    • Introduce Service to NC
    • Operationalize on a Smaller Scale
    • Expand to Innovations Waiver
Home Delivered Meals

- Goal is to Build into Waiver Long-Term
- DHB will Discuss with CMS Ways to Exceed $135K Limit to Ensure Access to Home Delivered Meals Service throughout Waiver Year
FMAP Increase for HCBS

• 10% FMAP Increase for Home and Community-Based Services

• Each State Developed a Plan for the Implementation of the American Rescue Plan Act of 2021, Section 9817

• Submitted to CMS July 12, 2021 for approval
Additional Comments

• NEW Futures – a new service that assist with planning for member after the parents die to assure ongoing care plans are in place as the population ages so that adults with IDD do not end up in restrictive levels of care

• No prior authorization under Innovations Waiver

• Individual Budgets: Estimated vs Actual Costs

• Update on Unified Waitlist
