Subject: Corrected 2021 Thrifty Food Plan Increase Adjustment Reference Guide

Priority: Information Only

I. GENERAL INFORMATION

October 1, 2021, households who receive FNS will see an increase to the benefits that help them feed themselves and their families. DCDL-EFS-FNSEP-69-2021 provides more information regarding United State Department of Agriculture (USDA) announcing the historic increase in FNS benefits. Attached is a press release that was issued on Friday, September 24th to help bring awareness to the increase in FNS benefits. Reference Guides are also included to assist with questions households may have.

The Reference Guides are being issued to provide as much guidance as possible and to ensure that caseworkers provide accurate information to households that may have questions regarding the amount of FNS benefits that were issued.

Submit any questions regarding this information to the DHHS Operational Support Team (OST) at DSS.PolicyQUESTIONS@dhhs.nc.gov.

Sincerely,

Carla West, Senior Director for Economic Security
Division of Social Services, Economic and Family Services
