Adult SUD/MH Clinical Monitoring

Focus of Monitoring:

- Access to appropriate level of care for persons with 3 or more inpatient/crisis events within a 12-month period.

Sampling Methodology:

- A random sample of adults will be chosen with an SUD or MH Benefit Plan who had 3 or more inpatient/crisis events during FY16 that were state-funded (State, SAPTBG, CMHBG, and/or SSBG funds).
  - Persons who also received a state-funded outpatient service will be included.
  - Persons who received a state-funded enhanced or residential service (e.g. ACT, SAIOP, Group Living, etc.) during the 12-month qualifying period will be excluded.

- Sampling will be stratified by disability (SUD and MH).
Child & Adolescent SUD/MH Clinical Monitoring

Sampling Methodology:

For child & adolescent SUD and MH: a random sample will be chosen of children who meet the following within the 12-month qualifying period (FY16):

- one or more state hospital inpatient or state-funded community hospital inpatient stays, OR
- three or more Mobile Crisis Management events.

Children with Medicaid eligibility while hospitalized will be excluded.
Adult & Child SUD/MH Records

For Adult and Child SUD and MH records will be reviewed to determine the outcome for the consumer in the 6 months after the qualifying events:

A. Engaged in the appropriate level of care;
B. Attempted engagement in appropriate level of care, but individual or legally responsible person declined;
C. Engagement not attempted; or
D. Deceased, incarcerated (C & A in a juvenile justice facility), medical hospitalization or moved out of catchment area.

“C.” will be considered “not met”.

I/DD State Wait List Monitoring Review

A sample of persons removed from the LME-MCO I/DD State Wait List will be reviewed against the LME-MCO’s I/DD State Wait List policies & procedures.

- LME-MCOs will submit their policies and procedures to Mya Lewis at Mya.Lewis@dhhs.nc.gov by March 10.
State Wait List Monitoring Review

Sampling Methodology:

- “Removed from the wait list” is defined as individuals with ADSN or CDSN Benefit Plans who received services in SFY 16, but not in SFY 15.
- Of these individuals, the 6-8 individuals with the top amount in paid claims in FY16 were chosen.
I/DD State Wait List Monitoring Review

- A desk review will be conducted to determine if the LME-MCO’s policies and procedures meet the criteria listed in JCB # 093 (8/21/14).

- An onsite monitoring tool will be developed based on each LME-MCO’s established I/DD State Wait List policies and procedures.

- LME-MCOs will receive a copy of the onsite monitoring tool at least 10 calendar days prior to their onsite monitoring date.
I/DD Benefit Plan & Service Eligibility Monitoring Review

The Division will generate a sample of paid claims for the expenditure of State and Social Services Block Grant funds for service provision:

- **ADVP**
  - Initial authorization OR
  - Concurrent authorization

- **Group Living Moderate**
  - Initial authorization OR
  - Concurrent authorization
The LME-MCO will be notified 10 calendar days prior to onsite review of which LME-MCO records to have available.

The sample to be reviewed will include 6-8 claims from each of the services paid for with state funds and federal funds.

The LME-MCO must ensure that sufficient documentation to adequately respond to the questions on the LME-MCO Clinical Monitoring tool is present at the review site.

The LME-MCO may have paper or electronic records available for review.
