DMH/DD/SAS and NC Medicaid will calculate the performance measures that involve potential penalties using administrative data (claims, encounters, and HEARTS extracts in the CDW). LME-MCOs will not need to submit self-reports for those measures.

When submitting reports, please use the report template designed for the reporting time frame. The “Set-Up” worksheet at the beginning of each workbook identifies the report period(s) the template is intended to cover.
Please use the report templates included with this memo for reports for measurement periods within state fiscal year 2021-2022. The Quarterly DMH/DD/SAS performance measures report template has been updated to reflect county realignments for Cardinal Innovations Healthcare and Partners Health Management effective Sept. 1, 2021 and provide SFY2022 uninsured estimates for measure 3.2 for all counties. The Annual Medicaid 1915(b) Waiver performance measures report template reflects the county realignments as well.

Please send the quarterly and annual performance measures reports to contactdmhquality@dhhs.nc.gov. Please send the annual Medicaid 1915(b) Waiver performance measures report to Medicaid.DHB.LME-MCO.Contracts@dhhs.nc.gov.

If you have questions, please contact Jennifer Bowman at 984-236-5202 or contactdmhquality@dhhs.nc.gov or Kelly Crosbie at 919-527-7032 or kelly.crosbie@dhhs.nc.gov.
