ATTACHMENT A

Figure 1 – Flowchart

Is the TCMI less than or equal to either $1228 or $1561?

- Yes: Continue SA budgeting process.
- No: New Maintenance Amount = TCMI = SA Payment
  Do not continue budgeting. A/B is not income eligible for SA.

Figure 2 – Income Test

</tbody>
</table>
Sample 1

SA (ACH) applicant’s RSDI Income = $1,260
$1,260 - $20 gen. exclusion = $1,240 TCMI

Maximum allowable TCMI for Basic SA $1,228.00
A/B’s Total Countable Monthly Income - $1,240.00
Difference = INELIGIBLE/Over Income/Fails income test

No other calculation is needed. Individual is not income eligible for SA.

REMEmber: Do not compare the TCMI to the Maintenance Amount to determine income eligibility. The Maintenance Amount is only utilized to determine SA payment IF and WHEN the A/B passes the Income Test.

Sample 2

RSDI Income = $1,245
$1,245 - $20 = $1,225 TCMI

Maximum allowable TCMI for Basic SA $1,228.00
A/B’s Total Countable Monthly Inc - $1,225.00
Difference = $3.00 (pass income test, carry on to normal budgeting process)

SA Basic Rate $1,182.00
(new) Personal Needs Allowance + $70.00
(new) Maintenance Amount = $1,252.00

(new) Maintenance Amount $1,252.00
A/B Total Countable Monthly Inc - $1,225.00
Difference = $27.00

Monthly SA Payment Amount $27.00
