DEAR COUNTY DIRECTOR OF SOCIAL SERVICES

ATTENTION: ADULT SERVICES SUPERVISORS AND PROGRAM MANAGERS

SUBJECT: ADULT PROTECTIVE SERVICES ESSENTIAL SERVICES FUND

REQUIRED ACTION: ☑ Information Only ☑ Time Sensitive ☑ Action Required

The Division of Aging and Adult Services (DAAS) has allocated $1,500,000.00 of the American Rescue Plan Act (ARPA) of 2021 funding to an Adult Protective Services (APS) Essential Services Fund. This funding allows county departments of social services to provide essential services for adults for whom the need for protective services has been substantiated. These funds will assist adults to age in place, eliminating unnecessary institutionalization and promoting opportunities to return to a community-based setting when possible.

The fund is intended to assist county departments of social services in addressing identified protective services needs and mobilizing protective services where limited county funding and limited local resources may be a barrier. The funds are being made available in addition to any funds already allocated by the county and is not intended to replace funds already in place. Counties should ensure no other funding sources or resources are available to assist the individual prior to using the APS Essential Services Fund.

The APS Essential Services Fund must be used to provide and arrange for essential needs on behalf of an individual receiving Protective Services for Adults Planning and Mobilizing Services (SIS Code 204). The individual must be opened for SIS Code 204 services on a signed DSS-5027. If the individual is a recipient of the Community Alternatives Program (CAP) or the Special Assistance In Home Program (SAIH), counties should ensure that APS Essential Services Funds are used for needs that are not being covered through either of the programs.

These essential services needs include the provision of medical care for physical and mental health, assistance in personal hygiene, assistance with obtaining appropriate food, clothing, seeking and providing heated and ventilated shelter, providing for protection from health and safety hazards, and protection from abuse, neglect, and exploitation.

To account for these funds and receive reimbursement, your agency will need to complete an invoice for each individual receiving funding for the reimbursement month. The APS Essential Services Fund Reporting Tool is required to be completed for your agency to receive reimbursement for funding that meets the criteria for essential needs, and no other resources or funding opportunities are available. The APS Essential Services Fund Reporting Tool has been
created using the Microsoft Forms program, the same program as the monthly Adult Services Survey.

The information required to submit the APS Essential Services Fund Reporting Tool includes:

- The county name submitting the invoice
- The first and last name of the county staff completing the invoice
- The email address of the staff completing the invoice
- The SIS ID of the individual open for 204 services receiving services through the Essential Services Fund
- The amount spent in each of the applicable categories for that individual:
  - Medication/medical care
  - Housing supports (rent/mortgage payments, taxes, hotels)
  - Groceries
  - Personal hygiene/clothing
  - Household supplies (appliances/furniture)
  - Home repairs/modifications
  - Personal Care (sitter/respite/personal care aid, life alert, adult day care)
  - Utilities (electric, gas, telephone, water, internet)
  - Health and wellness supplies
  - Transportation
  - Other (please describe)

The APS Essential Services Fund is available for use beginning February 1, 2022, through December 31, 2022. Your agency will be asked to complete one invoice for each individual receiving the APS Essential Services funding for each month funding is available. A link to submit the monthly invoices is provided in the attachment, APS Essential Services Fund Reporting Tool. Please enter all of February reimbursements on the February tool by March 1, 2022. Moving forward the tool must be completed by 5:00 p.m. on the first working day of the month for the previous month. For example, all requested reimbursements for March 2022 should be entered in the monthly tool by 5:00 p.m. on April 1, 2022. If you are unable to submit an invoice in the APS Essential Services Reporting Tool by the due date, you may submit the invoice the following month for reimbursement.

No prior approval is needed by your agency to utilize this funding. Your agency will complete the DSS-1571 Part II to receive reimbursement for the previous month. The invoices should be submitted to DAAS via the APS Essential Services Fund Reporting Tool as a part of this reimbursement process.

Please see the attached document, APS Essential Services Funding Authorizations SFY 2021-2022, with each county’s allocation. Counties should track their monthly invoices to ensure you do not expend beyond your allocation. Any unused allocation for SFY 2021-2022, may be utilized in SFY 2022-2023, until December 31, 2022. If more than 20% of the funds remain on September 1, 2022, counties will be contacted to determine their plans and if the funds will be expended by December 31, 2022. If there are remaining funds, they will be reallocated according to the formula for those counties who have submitted invoices for the year and are able to utilize the funding. The funding formula for allocations is based on the number of individuals who received Protective Services in each county in SFY 2021-2022 and a weighted percent of 10% for SIS Code 202, 70% for SIS Code 204, and 20% based on the number of citizens at or below the poverty level for 2019.
We appreciate the contributions of the N.C. Association of County Directors of Social Services (NCACDSS) for the development of the definition of allowable services and the funding formula for the APS Essential Services Fund.

An in-service training will be conducted on February 24, 2022, during the monthly SA/AS Statewide Consultation that will explain the use of the funding and how to complete the APS Essential Services Reporting Tool.
