Equitable Treatment

- Section 246.12(h)(3)(iii) of the Federal WIC Regulations requires WIC-authorized vendors to offer WIC Program customers the same courtesies that are offered to other (non-WIC) customers
 - WIC customers cannot be excluded from in-store promotions
- Failure to provide the same courtesies to WIC customers is a violation of Federal WIC regulations, thereby constituting a vendor violation
 - Discrimination on the basis of WIC participation may result in disqualification

23

Definitions

- Incentive item an item or service provided by a vendor to attract customers or encourage customer loyalty
- Vendor discount an in-store promotion that reduces the price or increases the quantity of a given product; a vendor discount could also result from the use of a coupon
- In-store promotion a sales promotion in which a vendor may offer incentive items, vendor discounts or coupons in order to increase sales of certain items or to encourage customer loyalty to the vendor

Apj	proval f	or Ince	ntive	Items
------------	----------	---------	-------	-------

- To obtain approval to provide incentive items to WIC customers, a vendor must submit a written request directly to the North Carolina WIC Program State Agency.
- WIC vendors **cannot** offer incentive items to WIC customers without approval from the State WIC Agency

Approval for Incentive Items continued

- Following is a list of prohibited incentive items:
 - Assistance applying for WIC benefits
 - Transportation for WIC customer to and/or from vendor premises
 - Delivery of WIC supplemental foods
 - Lottery tickets
 - Cash gifts
 - Any other service that results in a conflict of interest, any item that incurs a liability to the WIC Program or violates any Federal, State or Local law or regulation

26

In-Store Promotions and Coupons

- Allowing WIC customers to use vendor discounts in WIC purchases reinforces wise food purchasing practices
- Vendor staff/cashiers should be well-informed about the use of different types of in-store promotions and coupons
 - Understand the temporary nature of some offers in order to reduce confusion at the point of sale
 - Know how to properly transact eWIC using in-store promotions and coupons

In-Store Promotions: BOGOs and eWIC

Per the USDA WIC EBT Operating Rules:

- In a true BOGO, the free item cannot be deducted from the WIC customer's benefit balance or reported to the State Agency
- If a food item is advertised as "Buy one, get one free" with the disclosure that each item is sold for half the advertised price, both food items shall be redeemed using WIC benefits and shall reflect an item price of half the advertised price in the transaction
 - Quantity discount
 - If using this methodology for BOGOs, vendors must put this disclosure in store advertising

29

Sales Tax & Cash Back

- Sales Tax on Manufacturers' Coupons
 - Not permitted to tax WIC items, so cannot charge WIC customers tax on manufacturer's coupons
- Cash Back
- Not permitted as a result of vendor discount in any WIC transaction

32

Automated Clearing House (ACH)

34

Vendor Bank Accounts

Vendor applicants submit their most current banking information to the FIS, the eWIC contractor or their third-party processor to ensure payment for eWIC transactions

 Vendors can contact FIS at 1-800-894-0050 Monday- Friday from 8:00 AM to 5:00 PM CT for account changes or updates

35

FIS Retailer Helpdesk

- FIS Retailer Helpdesk for stand-beside device assistance:
 - Retailer Helpdesk: 1-844-230-0836 (available 24/7)
 - Email: <u>merchant.services.support@fisglobal.com</u>

After Authorization

- Should a vendor that uses stand-beside device(s) to transact eWIC decide to upgrade to an integrated system, the vendor must:
 - Inform the eWIC processor before making <u>any</u> change, so that it can be determined if the system needs to be certified and testing can be performed to establish connectivity.

 Inform the State WIC Agency so that Level III certification testing can be performed prior to use of the system in the pharmacy.
- Testing performed with the eWIC processor for a new system that a vendor chooses to use does not supersede the Level III certification testing that must be performed by the State WIC Agency.
- These procedures also apply to vendors who alter the integrated system that they currently use or decide to use a different integrated system altogether.

37

After Authorization continued

- The State WIC Agency, not the eWIC processor, must grant final approval before a new system or system that has been altered is used by a vendor
- Vendors must inform the State WIC Agency if their integrated cash register system will be altered or revised in any manner that impacts eWIC redemption. This is a requirement detailed in the Terms of Vendor Agreement. Failure to do so may result in the termination of their WIC Vendor Agreement

38

After Authorization continued

Vendors with Integrated Cash Register Systems:

There is no need for WIC customers to separate their items when transacting WIC benefits. Do not make them separate their WIC items from non-WIC items. All items can be rung up together; however, the WIC customer must swipe their eWIC card first before any other tender type is applied to ensure that the proper items are deducted from the WIC customer's benefit balance before another tender type is used for purchase

After Authorization continued

- Process EBT transactions accurately, in a timely manner, and in accordance
 with the terms of the North Carolina WIC Vendor Agreement. Maintain
 compliance with the EBT Processor Vendor Agreement, the FNS EBT
 operating rules, standards and technical requirements, WIC Program Rules,
 and state and federal regulations, and statutes,
- Maintain certified eWIC system that is available for WIC redemption processing during all hours the pharmacy is open;
- Request eWIC Processor re-certify the vendor's eWIC system if it is altered or revised in any manner that impacts eWIC redemption

40

After Authorization continued

- It is important to continue to follow policies and procedures to maintain authorization
- Federal regulations provide processes to support program integrity

49

Federal vs. State Violations

Federal violations for which vendors are subject to disqualification

- Carry longer disqualification
- Found through compliance buys and inventory audits

State violations for which vendors are subject to disqualification

 Usually found during compliance buys and Local WIC Agency monitoring

50

Pattern of Occurrences

- The nature of the violation and the number of violations determine the sanction imposed
- Sanction remains on a vendor's record for 12 months or until a vendor is disqualified
- A pattern of occurrences for the same violation can result in disqualification
- The number of occurrences needed to establish a pattern depends on the violation

Patterns of Violations that Lead to Disqualification

 Three occurrences within a 12-month period of stocking WIC supplemental foods outside of the manufacturer's expiration date

52

• 10A NCAC 43D.0710 has been amended to include language for eWIC transactions. The rule states a vendor shall be disqualified from the WIC Program for:

One year for three occurrences within a 12-month period of failure to properly transact WIC food benefits by manually entering the EBT card number or entering the PIN into the POS instead of the WIC participant; scanning the UPC or PLU codes from UPC codebooks or reference sheets when completing a WIC participant is EBT transaction, not entering the correct quantity and item price, or not providing the WIC participant with a receipt that shows the items purchased and the participant's remaining food benefit balance.

53

As a Reminder:

- 10A NCAC 43D.0708 (20)(j) states that the vendor must:
- Scan or manually enter Universal Product Codes (UPC) only from approved supplemental foods being purchased by the WIC customer in the types, sizes, and quantities available on the WIC customer's EBT account. The vendor shall not scan codes from UPC codebooks or reference sheets;
- This requirement is also listed in the current Terms of Vendor Agreement.

Vendor Violations and Sanctions, continued

- 10A NCAC 43D.0710 has also been amended with the addition of two state violations relating to the eWIC system.
- Vendors may be disqualified from the WIC Program if they commit either of these stateestablished violations.

55

and Sanctions, continued

- 180 days for three occurrences within a 12-month period of failure to make EBT point of sale equipment accessible to WIC customers to ensure that EBT transactions are completed in accordance with 10A NCAC 43D .0708(20).
- 90 days for three occurrences within a 12-month period of failure to comply with minimum lane coverage criteria required by 7 CFR 246.12(2)(2) and 10A NCAC 43D .0708(20)(c).

56

Preventing Fraud and Ensuring Compliance

- State WIC Agency must investigate at least 5% of vendors annually using:
- compliance (undercover) buys
- inventory audits
- Must also ensure that vendors are monitored by Local WIC Agency staff

- NC sometimes works with the U.S. Office of Inspector General for investigations

58

Compliance Buys

- Undercover purchases by a compliance investigator
