

Child Support Program Goals for 2011-2012

The goals and objectives for the Child Support Program: paternity establishment, percentage of cases under order, collection of current support and collection of child support arrears.

Paternity:

- If a county's achievement is 100% or above, the goal is to maintain but none above 105%.
- If a county's achievement is equal to or between 96% and 100%, the goal is a 1% point increase.
- If a county's achievement is below 96%, the goal is a 2% point increase.

Cases Under Order:

- If a county's achievement is 88% or above, the goal is to maintain but none above 93%.
- If a county's achievement is equal to or between 79% and 88%, the goal is a 1% point increase.
- If a county's achievement is below 79%, the goal is a 2% point increase.

Collection Rate:

- If a county's achievement is 67% or higher, the goal is to maintain.
- If a county's achievement is equal to or between 60% and 67%, the goal is a 1% point increase.
- If a county's achievement is below 60%, the goal is a 2% point increase.

Payments to Arrears:

- If a county's achievement is 70% or higher, the goal is to maintain.
- If a county's achievement is equal to or between 65% and 70%, the goal is a 1% point increase.
- If a county's achievement is below 65%, the goal is a 2% point increase.

Total Collections;

Each county's total collections goal for 2012 will be what the county collected in SFY 2011. Our goal is to maintain.
