## **1.0 INTRODUCTION**

Through this Request for Applications (RFA), the NC Department of Health and Human Services; North Carolina Division of Mental Health, Developmental Disabilities and Substance Abuse Services (DMHDDSAS) is launching the NC Strategic Prevention Framework - Partnership for Success (SPF-PFS) grant funded by the Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Substance Abuse Prevention (CSAP). Through this initiative, the Department seeks to collaborate to use the Strategic Prevention Framework to address target substances of abuse with Local Management Entity-Managed Care Organizations (LME-MCOs), Community-based organizations implementing substance abuse prevention, and Community coalitions working to address substance abuse prevention.

### **1.1 PURPOSE**

This project will be utilized to address specific prevention priorities within our state. Areas of focus include: Alcohol use among persons aged 9 to 20, Electronic Vapor Product use (i.e. e-cigarettes, vaping pens, etc.) for individuals age 9 and above, and Marijuana use for individuals age 9 and above.

As described in the background section, NC DHHS is sponsoring this RFA to address substances of high use and impact using evidence-based prevention policies, programs, and practices. Funded applications must utilize the Strategic Prevention Framework to plan and implement this initiative. Alcohol use among youth and young adults must be addressed in each funded proposal, in combination with either electronic vapor products, or marijuana use. Proposals can elect to also address either electronic vapor products or marijuana based on community level data or a compelling case for why this is a priority.

### **1.2 BACKGROUND**

NC DHHS is committed to proactively planning for and addressing substances of concern in communities. This includes legal substances of use for adults that are being utilized by young people and substances that are on the rise in adolescent use.

In North Carolina, 26.5% of youth report current alcohol use and 12.4% of those who use alcohol reported binge drinking (4 or more drinks for females / 5 or more drinks for males) in the past 30 days. (NC YRBS 2017) 39.9% of youth surveyed reported that their alcohol was given to them. (NC YRBS 2017) The remainder of students reported some combination of: purchasing it at a store, restaurant, public event; giving money to someone else to purchase; taking it without permission from home, a friend or another relative's home or a store. 15.6% of high school students reported that they had their first drink of alcohol before age 13. (NC YRBS 2017) 8.9 % of middle school students reported having their first drink of alcohol before age 11. (NC YRBS 2017)

Statewide, 44.1% of high school students (51.2% of 12th graders) reported having used an electronic vapor product (NC YRBS 2017). 22.1% of high school students report current use (past 30 days) (NC YRBS 2017). Significantly, there is an 894% increase in e-cigarette use among high school students in NC since 2011. (2017 NC Youth Tobacco Survey). Among the 8.7% of students nationwide who reported current use of electronic vapor products who were aged less than 18 years of age, 13.6% had usually acquired their own electronic vapor products by buying them in a store (e.g., convenience store, supermarket, discount store, gas station, or vape store). The prevalence of attaining their own electronic vapor products by buying them in a store was higher among 12th-grade (22.9%) than 9th-grade (8.7%), 10th-grade (11.6%), and 11th-grade (14.3%) students. Among middle school students, 12% of 6th graders reported having used electronic vapor products. 16.4% of 7th grade students and 28.3% of 8th

grade students reported having used an electronic vapor product (NC YRBS 2017).

Nationwide, 35.6% of high school age youth had used marijuana one or more times in their life and 19.8% of students had used one or more times during the past 30 days. (i.e., current marijuana use) (YRBS 2017). Nationally, recent trends in risk and disapproval rates indicate that youth perception of risk/harm has decreased steadily as has their disapproval of use. (Monitoring the Future 2018) 6.5% of high school students reported that they tried marijuana for the first time before age 13 (NC YRBS 2017). 4.1% of middle school students reported trying marijuana for the first time before age 11 (NC YRBS 2017).

This round of SPF-PFS funding will address underage drinking in North Carolina (REQUIRED). In addition, communities may choose, but are not required, to focus on one additional area: prevention of either electronic vapor (e-cigarette) product(s) or marijuana use for individuals 9 and above.

## **2.0 ELIGIBILITY**

## GENERAL TERMS AND CONDITIONS

### Relationships of the Parties

**Independent Contractor:** The Contractor is and shall be deemed to be an independent contractor in the performance of this contract and as such shall be wholly responsible for the work to be performed and for the supervision of its employees. The Contractor represents that it has, or shall secure at its own expense, all personnel required in performing the services under this agreement. Such employees shall not be employees of, or have any individual contractual relationship with, the Division.

**Subcontracting:** The Contractor shall not subcontract any of the work contemplated under this contract without prior written approval from the Division. Any approved subcontract shall be subject to all conditions of this contract. Only the subcontractors specified in the contract documents are to be considered approved upon award of the contract. The Division shall not be obligated to pay for any work performed by any unapproved subcontractor. The Contractor shall be responsible for the performance of all of its subcontractors.

**Assignment:** No assignment of the Contractor's obligations or the Contractor's right to receive payment hereunder shall be permitted. However, upon written request approved by the issuing purchasing authority, the State may: (a) Forward the Contractor's payment check directly to any person or entity designated by the Contractor; or (b) Include any person or entity designated by Contractor as a joint payee on the Contractor's payment check. In no event shall such approval and action obligate the State to anyone other than the Contractor and the Contractor shall remain responsible for fulfillment of all contract obligations.

**Beneficiaries:** Except as herein specifically provided otherwise, this contract shall inure to the benefit of and be binding upon the parties hereto and their respective successors. It is expressly understood and agreed that the enforcement of the terms and conditions of this contract, and all rights of action relating to such enforcement, shall be strictly reserved to the Division and the named Contractor. Nothing contained in this document shall give or allow any claim or right of action whatsoever by any other third person. It is the express intention of the Division and Contractor that any such person or entity, other than the Division or the Contractor, receiving services or benefits under this contract shall be deemed an incidental beneficiary only.

### Indemnity and Insurance

**Indemnification:** The Contractor agrees to indemnify and hold harmless the Division, the State of North Carolina, and any of their officers, agents and employees, from any claims of third parties arising out of any act or

omission of the Contractor in connection with the performance of this contract.

**Insurance:** (a) During the term of the contract, the Contractor shall provide, at its sole cost and expense, commercial insurance of such types and with such terms and limits as may be reasonably associated with the contract. At a minimum, the Contractor shall provide and maintain the following coverage and limits:

(9) **Automobile Liability Insurance:** The Contractor shall provide automobile liability insurance with a combined single limit of \$500,000.00 for bodily injury and property damage; a limit of \$500,000.00 for uninsured/under insured motorist coverage; and a limit of \$2,000.00 for medical payment coverage. The Contractor shall provide this insurance for all automobiles that are:

- (B) hired by the Contractor and used in the performance of this contract; and
- (C) owned by Contractor's employees and used in performance of this contract ("non-owned vehicle insurance"). Non-owned vehicle insurance protects employers when employees use their personal vehicles for work purposes. Non-owned vehicle insurance supplements, but does not replace, the car-owner's liability insurance.

The Contractor is not required to provide and maintain automobile liability insurance on any vehicle – owned, hired, or non-owned -- unless the vehicle is used in the performance of this contract.

- (b) The insurance coverage minimums specified in subparagraph (a) are exclusive of defense costs.
- (c) The Contractor understands and agrees that the insurance coverage minimums specified in subparagraph (a) are not limits, or caps, on the Contractor's liability or obligations under this contract.
- (d) The Contractor may obtain a waiver of any one or more of the requirements in subparagraph (a) by

demonstrating that it has insurance that provides protection that is equal to or greater than the coverage and limits specified in subparagraph (a). The Division shall be the sole judge of whether such a waiver should be granted.

- (e) The Contractor may obtain a waiver of any one or more of the requirements in paragraph (a) by demonstrating that it is self-insured and that its self-insurance provides protection that is equal to or greater than the coverage and limits specified in subparagraph (a). The Division shall be the sole judge of whether such a waiver should be granted.
- (f) Providing and maintaining the types and amounts of insurance or self-insurance specified in this paragraph is a material obligation of the Contractor and is of the essence of this contract.
- (g) The Contractor shall only obtain insurance from companies that are authorized to provide such coverage and that are authorized by the Commissioner of Insurance to do business in the State of North Carolina. All such insurance shall meet all laws of the State of North Carolina.
- (h) The Contractor shall comply at all times with all lawful terms and conditions of its insurance policies and all lawful requirements of its insurer.
- (i) The Contractor shall require its subcontractors to comply with the requirements of this paragraph.
- (j) The Contractor shall demonstrate its compliance with the requirements of this paragraph by submitting certificates of insurance, if requested, to the Division before the Contractor begins work under this contract.

In that event, all finished or unfinished deliverable items prepared by the Contractor under this contract shall, at the option of the Division, become its property and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such materials, minus any payment or compensation previously made. Notwithstanding the foregoing provision, the Contractor shall not be relieved of liability to the Division for damages sustained by the Division by virtue of the Contractor's breach of this agreement, and the Division may withhold any payment due the Contractor for the purpose of setoff until such time as the exact amount of damages due the Division from such breach can be determined. In case of default by the Contractor, without limiting any other remedies for breach available to it, the Division may procure the contract services from other sources and hold the Contractor

responsible for any excess cost occasioned thereby. The filing of a petition for bankruptcy by the Contractor shall be an act of default under this contract.

**Waiver of Default:** Waiver by the Division of any default or breach in compliance with the terms of this contract by the Contractor shall not be deemed a waiver of any subsequent default or breach and shall not be construed to be modification of the terms of this contract unless stated to be such in writing, signed by an authorized representative of the Department and the Contractor and attached to the contract.

**Availability of Funds:** The parties to this contract agree and understand that the payment of the sums specified in this contract is dependent and contingent upon and subject to the appropriation, allocation, and availability of funds for this purpose to the Division.

**Force Majeure:** Neither party shall be deemed to be in default of its obligations hereunder if and so long as it is prevented from performing such obligations by any act of war, hostile foreign action, nuclear explosion, riot, strikes, civil insurrection, earthquake, hurricane, tornado, or other catastrophic natural event or act of God.

### **Confidentiality**

**Confidentiality:** Any information, data, instruments, documents, studies or reports given to or prepared or assembled by the Contractor under this agreement shall be kept as confidential and not divulged or made available to any individual or organization without the prior written approval of the Division. The Contractor acknowledges that in receiving, storing, processing or otherwise dealing with any confidential information it will safeguard and not further disclose the information except as otherwise provided in this contract.

**Data Security:** The Contractor shall adopt and apply data security standards and procedures that comply with all applicable federal, state, and local laws, regulations, and rules.

## Conflict of Interest Policy Example

The Board of Directors/Trustees or other governing persons, officers, employees or agents are to avoid any conflict of interest, even the appearance of a conflict of interest. The Organization's Board of Directors/Trustees or other governing body, officers, staff and agents are obligated to always act in the best interest of the organization. This obligation requires that any Board member or other governing person, officer, employee or agent, in the performance of Organization duties, seek only the furtherance of the Organization mission. At all times, Board members or other governing persons, officers, employees or agents, are prohibited from using their job title, the Organization's name or property, for private profit or benefit.

A. The Board members or other governing persons, officers, employees, or agents of the Organization should neither solicit nor accept gratuities, favors, or anything of monetary value from current or potential contractors/vendors, persons receiving benefits from the Organization or persons who may benefit from the actions of any Board member or other governing person, officer, employee or agent. This is not intended to preclude bona-fide Organization fund raising-activities.

B. A Board or other governing body member may, with the approval of Board or other governing body, receive honoraria for lectures and other such activities while not acting in any official capacity for the Organization. Officers may, with the approval of the Board or other governing body, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. Employees may, with the prior written approval of their supervisor, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. If a Board or other governing body member, officer, employee or agent is acting in any official capacity, honoraria received in connection with activities relating to the Organization are to be paid to the Organization.

C. No Board member or other governing person, officer, employee, or agent of the Organization shall participate in the selection, award, or administration of a purchase or contract with a vendor where, to his knowledge, any of the following has a financial interest in that purchase or contract:

1. The Board member or other governing person, officer, employee, or agent;
2. Any member of their family by whole or half blood, step or personal relationship or relative-in-law;
3. An organization in which any of the above is an officer, director, or employee;
4. A person or organization with whom any of the above individuals is negotiating or has any arrangement concerning prospective employment or contracts.

D. **Duty to Disclosure** -- Any conflict of interest, potential conflict of interest, or the appearance of a conflict of interest is to be reported to the Board or other governing body or one's supervisor immediately.

E. **Board Action** -- When a conflict of interest is relevant to a matter requiring action by the Board of Directors/Trustees or other governing body, the Board member or other governing person, officer, employee, or agent (person(s)) must disclose the existence of the conflict of interest and be given the opportunity to disclose all material facts to the Board and members of committees with governing board delegated powers considering the possible conflict of interest. After disclosure of all material facts, and after any discussion with the person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

In addition, the person(s) shall not participate in the final deliberation or decision regarding the matter under consideration and shall leave the meeting during the discussion of and vote of the Board of Directors/Trustees or other governing body.

F. **Violations of the Conflicts of Interest Policy** -- If the Board of Directors/Trustees or other governing body has reasonable cause to believe a member, officer, employee or agent has failed to disclose actual or possible conflicts of interest, it shall inform the person of the basis for such belief and afford the person an opportunity to explain the alleged failure to disclose. If, after hearing the person's response and after making further investigation as warranted by the circumstances, the Board of Directors/Trustees or other governing body determines the member, officer, employee or agent has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

**G. Record of Conflict** -- The minutes of the governing board and all committees with board delegated powers shall contain:

1. The names of the persons who disclosed or otherwise were found to have an actual or possible conflict of interest, the nature of the conflict of interest, any action taken to determine whether a conflict of interest was present, and the governing board's or committee's decision as to whether a conflict of interest in fact existed.

**CONFLICT OF INTEREST ACKNOWLEDGEMENT AND POLICY - INDIVIDUAL**

**A conflict of interest** is a situation in which the individual and/or independent contractor has competing professional or personal interests (usually in a financial or economic nature). Such competing interests can make it difficult to fulfill his or her duties and responsibilities impartially. A conflict of interest exists even if no unethical or improper act results from it. A conflict of interest can create an appearance of impropriety that can undermine confidence in the person, profession, or court system.

As an independent contractor for the Department of Health and Human Services (DHHS) the contractor warrants and affirms the following:

His/her business is independent and that he/she markets his/her professional services to others, except to the extent necessary to avoid a conflict of interest.

The position is not used for financial gain beyond that received directly for this service nor will the work performed on this project create an appearance of a conflict of interest for me or a member of my family or others with whom I have business or other ties.

When a conflict of interest is identified, the contractor will disclose it in writing to the contract administrator listed on the contract.
