Dear Chairmen:

North Carolina Session Law 2015-241, Section 12F.2.(c), requires the Department of Health and Human Services ("Department") to modify the monthly reporting package submitted by the Local Management Entities/Managed Care Organizations (LME/MCOs) to the Department to include revenues and expenditures for the State funding sources for single stream, intellectual and developmental disability, and substance abuse services on Schedule D2. Additionally, the Department is required to modify appropriate schedules in the LME/MCO monthly reporting package to include unduplicated recipients and encounters in the same level of detail included in each D schedule for each source of funding for the reporting for the current and previous year's month and year to date periods. This requirement is continued under Session Law 2017-57, Section 11F.2.(c).

The information provided identifies Single Stream Fund expenditures by LME-MCO, with a State average and benchmark for spending expectations for the final totals for the fiscal year, which ended in June 2017. The benchmark for the expected single stream funding expenditure for this portion of the fiscal year is 100% of the total annual allocation. The statewide average is 101.5% which is above the overall expectation for spending for services.

There were three LME/MCOs who did not meet the 100% benchmark for expenditure of single stream funding: Cardinal, Eastpointe, and Trillium. The Division of Mental Health, Developmental Disabilities and Substance Abuse Services is requiring a Plan of Correction from each of these three LME/MCOs to describe how the required service levels will be met.

The graph for the report has been modified to demonstrate the individual LME-MCOs performance by month compared to static targeted expenditures expectations. The visual supports the historic explanation of spending trends across the fiscal year.
Should you have any questions, please contact Jason Vogler, PhD, Senior Director for the Division of Mental Health, Developmental Disabilities and Substance Abuse Services, at (919) 733-7011.

Sincerely,

Mandy Cohen, MD, MPH
Secretary
