Dear Chairmen:

North Carolina Session Law 2017-57, Section 11F.2.(c), requires the Department of Health and Human Services (“Department”) to modify the monthly reporting package submitted by the Local Management Entities-Managed Care Organizations (LME-MCOs) to the Department to include revenues and expenditures for the State funding sources for single stream, intellectual and developmental disability, and substance abuse services on Schedule D2. Additionally, the Department is required to modify appropriate schedules in the LME-MCO monthly reporting package to include unduplicated recipients and encounters in the same level of detail included in each D schedule for each source of funding for the reporting for the current and previous year’s month and year to date periods.

The Secretary of Health and Human Services has the authority to allocate Single Stream Funds to the LME/MCOs and can adjust the specified recurring and nonrecurring reductions among the LME/MCOs. Under this authority, DMH/DD/SAS has, as of December 2019, rebased the single stream funding to equitably spread dollars across the LME/MCOs. Further details on the methodology behind this rebase are in the Department’s report, sent December 17, 2019 to the Joint Legislative Oversight Committee on Health and Human Services and Fiscal Research Division, titled Single Stream Funding Rebase. DMH/DD/SAS sent additional allocation letters to the LME/MCOs in January 2020, to allocate the remainder of the available single stream funds that were not allocated in the December 2019 rebase; however the methodology for how to distribute those dollars was the same as what was used for the December 2019 rebase. Before the December 2019 rebase, the LME/MCOs had been receiving monthly Single Stream Fund allocations based on funding levels from State Fiscal Year 2018–19. The COVID-19 public health crisis likely will have an impact on spending rates among the LME/MCOs. The Department is working with the LME/MCOs to ensure the new allocations are fully utilized over this fiscal year.
However, this recent rebasing can account for some of the current variability in “target” spending rates among the LME/MCOs.

Should you have any questions, please contact Kody Kinsley, Deputy Secretary for Behavioral Health and IDD, at (919) 733-7011.

Sincerely,

Mandy Cohen, MD, MPH
Secretary

* Single Stream earnings may exceed allocation, but payments are capped

Notes: The NonUCR portion of Single Stream Earnings is based on unaudited self-report from LME/MCOs.

LME expenditure of State funds will always lag at beginning of year when Federal funds are pulled down; as Federal accounts are depleted, rate of State earnings increase.
