• If the background check demonstrates the individual should not continue working with the participant, that individual will be immediately determined unqualified to render services.
INNOVATIONS WAIVER ONLY: Services Rendered by a Relative-Monitoring of ALL Beneficiaries

- The LME-MCO will provide an increased level of monitoring for services delivered by relatives/legal guardians.
- Care Coordinators monitor through telephonic monitoring and documentation review to ensure that payment is made only for services rendered and that the services are furnished in the best interest of the individual.
Assistive Technology

• Temporarily waive requirement for the Letter of Medical Necessity or Prescription from the Physicians, Nurse Practitioner or Physician’s Assistant for ongoing supplies or replacement equipment for which the beneficiary has an already established authorization.
Retainer Payments
Temporarily Include Retainer Payments to Address Emergency Related Issues

• Include retainer payments to direct care workers to address emergency related issues.

• Retainer payments cannot be provided for more than 30 consecutive days. There may be more than one 30 consecutive day period.

• The Department will implement a distinguishable process to monitor payments to avoid duplication of billing.

There has to be at least a ONE day break!
Retainer payments are for direct care providers who normally provide services that include habilitation and personal care, but are currently unable to due to complications experienced during the COVID-19 pandemic, due to:

- The waiver participant is sick due to COVID-19; or
- The waiver participant is sequestered and/or quarantined based on local, state, federal and/or
- The waiver participant has medical requirements/orders.

- A process to monitor retainer payments to Avoid Duplication of Billing
- Retainer payments cannot be made for Respite.
