SUBJECT: ADULT SERVICES TRAINING SCHEDULE FOR FY 10-11

We are pleased to announce that the Adult Services Training Schedule for FY 10-11 is now available online. Copies can be downloaded and printed from the Division of Aging and Adult Services website (<http://www.dhhs.state.nc.us/aging/adultsvcs/TrainingCalendar.pdf>).

The schedule offers training from the Division's Adult Services Section, training provided through the Division's contract with the Center for Aging Research and Educational Services (CARES), and certain training events provided through the Division of Health Service Regulation.

Course descriptions and registration information for all of the Division's face-to-face trainings for the fiscal year are contained in this training schedule. No other dear director letters will be sent for individual face-to-face training events.

This fiscal year we will again offer some trainings via video conferencing. Descriptions of the trainings, which will be offered in late spring and summer 2011, can be found in the training schedule. A future memorandum will provide the specific dates and locations of these events.

We hope the Adult Services Training Schedule for FY 10-11 will be useful to you in planning your training needs this year. If you have questions about specific training events, please call the contact person listed in the training schedule or your [Adult Programs Representative](#).

Sincerely,

A handwritten signature in black ink that reads "Suzanne P. Merrill".

Suzanne P. Merrill, Chief
Adult Services Section
