Re: Addendum #2 – Correction to Award Amount for the NC Minority Diabetes Prevention Program (NC MDPP) – Region 8 RFA

Purpose

The purpose of this Addendum is to correct the maximum award amount stated in the published NC Minority Diabetes Prevention Program (NC MDPP) Region 8 Request for Applications (RFA).

Description of Change

The RFA currently states the following:

Current Language

The maximum award amount is **\$195,000**.

Revised Language

The maximum award amount is **\$195,105**.

Reason for Change –

This correction is necessary due to the use of an outdated preliminary budget figure that originated from an earlier proposal submitted in January. The confirmed and approved NC Rural Health Transformation Program (NC RHTP) budget reflects a revised and finalized award amount of \$195,105.

Impact on Applicants -

This correction clarifies the total available funding for the NC MDPP Region 8 Lead Agency award. There are no changes to program scope, eligibility requirements, or application expectations. Applicants should ensure all budget proposals and supporting materials reflect the corrected award amount.

All other requirements, terms, conditions, application instructions and deadlines contained in the RFA remain unchanged. All applications must be submitted in accordance with the instructions outlined in the RFA.

Due to this Addendum adjustment, the application deadline has been extended from July 10, 2026, to **July 17, 2026, at 5 p.m. EST.**

Applicant Reminder -

Applicants are advised to carefully review this Addendum and incorporate the corrected award amount of \$195,105 into all application materials.
