

# NC DEPARTMENT OF HEALTH AND HUMAN SERVICES NC Assistive Technology Program

## LIVING WITHOUT LIMITS Assistive Technology Resource Fair

**Assistive Technology (AT) helps people with disabilities actively participate in all aspects of life, including sports, recreation, leisure and employment.**

**Discover your possibilities. Embrace your independence. Live your life without limits.**

**What to expect at the AT Resource Fair:**

- **EXPLORE** – try out AT tools and devices that support active living
- **DISCOVER** – learn about local recreation and leisure opportunities
- **CONNECT** – meet new people who share your interests and passions
- **ENJOY** – try out new activities and accessible equipment

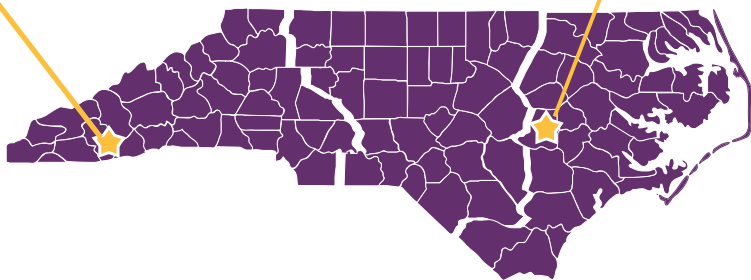

**Click the “REGISTER NOW” button to reserve a spot at a fair near you.**
