Join us each month to learn about policies and programs that affect the MH/IDD/SUS/TBI community. The goal of this webinar is to bring everyone together in one (virtual) place. This group includes consumers, families, advisory groups, LME/MCOs, community members and partner organizations.

Side by side, we will work together to better understand and improve our system. We will listen closely to one another and we will share ideas for public policy that will improve lives in NC.
