

NC DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of Rural Health

As the North Carolina Office of Rural Health (NCORH) celebrates its 50th Anniversary, the National Rural Health Day Planning Committee is excited to share the announcement of the 2023 Calendar Photo Contest.

The 2023 NCORH Calendar Photo Contest is designed to showcase the beauty of rural North Carolina. As the first Office of Rural Health in the nation, NCORH understands and celebrates the Power of Rural and has done so since its inception! The winners of the contest will be featured in a calendar that will be distributed as part of the 50th Anniversary Celebration on National Rural Health Day.

The theme of this year's contest is "Past, Present, and Future". You may interpret the theme however you'd like. Here are some ideas to get you started... rural roads, historic landmarks, changing leaves, blooming flowers, baby animals, and people in action.

Photographers of all experience levels are encouraged to participate. You may submit as many photos as you'd like.

The deadline to submit your photos is **Monday, October 2nd.**
