

Community Conversations

ENC PARENTS AND EDUCATORS

We're collecting stories across North Carolina to learn where communication barriers affect Deaf, Hard of Hearing, and DeafBlind individuals.

Now, we're hosting sessions specifically for parents and educational professionals because we want to hear about the challenges children face in schools and other settings. Your insights can improve communication access across our state!

American Sign Language interpreters and CART captioning will be provided. You can request additional accommodations when you RSVP.

WHEN

Wednesday, Oct. 21, 2026
Noon - 2 p.m. (for parents)
4 - 6 p.m. (for educators)

WHERE

Heart for ENC Training Center
