Public Review and Comment Period Announced for Infant-Toddler Program 2026 Grant Application

Release date: March 13, 2026

RALEIGH – The North Carolina Department of Health and Human Services Division of Child and Family Well-Being's Infant-Toddler Program's federal Part C grant application is available for public review and comment.

- The public review period is March 13, 2026 – April 11, 2026
- The public comment period is April 12, 2026 – May 11, 2026

The non-competitive awards help states and territories provide coordinated systems of comprehensive, multi-disciplinary, interagency programs of early intervention services for infants and toddlers with disabilities and their families. The application describes how funding will be used to provide supports and services to children and their families.

Members of the public may access the Part C grant application on [NCDHHS' website](#).
