RFA Title: Family Planning Services

Purpose- The NC Family Planning Program provides three-year annually renewable grant awards to provide clinical and educational services to improve pregnancy intendedness for individuals throughout North Carolina. Priority is given to low-income individuals. The Family Planning Program is administered by the Reproductive Health Branch (RHB) of the North Carolina Department of Health and Human Services (NCDHHS), Division of Public Health, Women, Infant, and Community Wellness Section. Successful applicants will receive funding to implement family planning clinical services in communities throughout the state of North Carolina.

Description- Applicants must demonstrate an understanding of and capacity to implement reproductive health services as prescribed by Title X and the Reproductive Health Branch. The program is designed to provide client-centered, high-quality, affordable, confidential, and voluntary family planning services to all who want and need them, with priority given to persons from low-income families.

Title X services include the delivery of related preventive health services, including patient education and counseling; physical examinations; laboratory testing; basic infertility services; breast and cervical cancer screening; sexually transmitted infections (STI) and human immunodeficiency virus (HIV) prevention education, testing, treatment and referral; pregnancy diagnosis and counseling; exploration of pregnancy intention; counseling to become pregnant; preconception health counseling; education regarding a wide range of contraceptive methods; and emergency contraception. These services promote healthy relationships and improved health across the reproductive life course. These services may also improve an individual's health by providing access to preventive care.

Eligibility- Public/governmental or private non-profit agencies interested in assisting individuals in planning or preventing pregnancy, that have the clinical capability, are eligible to apply to this RFA. This includes local health departments, federally qualified health centers, community health centers, and other non-profit clinical entities.

Governmental or non-profit entities are eligible to apply to this RFA if they meet the following criteria:

- Entities must have a Unique Entity Identifier (UEI) issued by SAM.gov.
- Entities must have at least 5 years of experience delivering clinical programs.
- Entities must not receive Title X funding directly from the federal government.
