

# Traumatic Brain Injury Pilot Frequently Asked Questions

Questions	Response
<p>A question on TBI Pilot Program RFA-3-DMH-TBI-2019. The language in this RFA does not reflect the final language that was ultimately enacted, specifically around SECTION 11F.9.(b), which was changed. How do you suggest we proceed?</p>	<p>The language in the RFA-3-DMH-TBI-2019 was updated to reflect the correct language. The updated RFA is post at <a href="https://www.ncdhhs.gov/about/grant-opportunities/mental-health-developmental-disabilities-substance-abuse-services-grant-opportunities">https://www.ncdhhs.gov/about/grant-opportunities/mental-health-developmental-disabilities-substance-abuse-services-grant-opportunities</a></p>
<p>On the Cover Page Questions Due is listed as March 7, 2018 and Applications Due is listed as March 21,2018. On Page 7 it reads; “Submit complete Application, including signature of authorized representative, Michael Brown at <a href="mailto:michael.brown@dhhs.nc.gov">michael.brown@dhhs.nc.gov</a> no later than 5:00 p.m. March 7, 2018.” Would you please confirm the date applications are due?</p>	<p>Questions are due by 3/7/2018 and the application is due 3/21/18. Page seven (7) has been updated to reflect the correct application due date</p>
<p>The RFA under “Supporting Documents”, asks for a copy of the approved guidelines for TBI. The adult TBI guidelines are 249 pages. There is an Executive Summary. Will the Executive Summary be sufficient?</p>	<p>DMH/DD/SAS will accept an executive summary with a link to the full TBI guidelines noted in the supporting documentation.</p>
