Overview

The State Consumer and Family Advisory Committee (SCFAC) serve as the representative voice of consumers and families with mental health, substance use, intellectual/developmental disabilities, and traumatic brain injury. It advises the NC Department of Health and Human Services, Division of Mental Health, Developmental Disabilities and Substance Use Services (DMH/DD/SUS), other NCDHHS agencies, and the General Assembly. SCFAC gives consumers a way to have input on the planning and management of the public system.
