

All Ages, All Stages NC

A Roadmap for Aging and Living Well

Strengthening Communities for a Lifetime Quarterly Webinar

Join us for updates on key implementation priorities, progress from subgroups, and a chance for open discussion.

The Strengthening Communities for a Lifetime workgroup focuses on building inclusive, age-friendly communities by advancing strategies in housing, transportation, social engagement, health care access, and community services. It includes three subgroups: Housing; Connectivity and Digital Literacy; and Social Determinants of Health and Age-Friendly.

Wednesday, July 16th 2:00-3:30 PM

Featured Presentation: National Perspectives on Strengthening Communities for a Lifetime

Dr. Leanne Clark-Shirley, President and CEO of the American Society on Aging, will share national strategies to create resilient, inclusive communities through age-friendly housing, transportation, and social connection. Learn how local and state efforts can align with national frameworks for lasting multisector impact.
