

Dear SUN Bucks recipient:

You are receiving this message because one or more children in your household received a one-time payment of \$120 per eligible child for the 2024 summer. **These benefits are expiring soon, and you have about 30 days left to spend your benefits. Please note that any unspent SUN Bucks benefits expire 122 days after their availability date and cannot be replaced.** If you received your SUN Bucks benefits on your EBT card and you have other benefit types on that card as well, please note that **only** your SUN Bucks benefits will expire – not the remaining balance for other benefits, such as FNS.

If you have already spent your SUN Bucks benefits, you can disregard this message.

**Your “availability date” is not the date you activated your card.** You can check your balance, your benefits availability date, or manage your account in three ways:

1. Visit [www.ebtEDGE.com](http://www.ebtEDGE.com). Click on *More Information* under *EBT Cardholder*. You will be prompted to login or register your account.
2. Download and use the **ebtEDGE** mobile app (can be downloaded on Google Play or Apple Store).
3. Call **1-888-622-7328** and follow the prompts.

If you received a SUN Bucks card, please keep it as it may be used for future SUN Bucks benefit issuances.

For questions about the SUN Bucks program, visit [www.ncdhhs.gov/sunbucks](http://www.ncdhhs.gov/sunbucks) or call the North Carolina SUN Bucks call center at **1-866-719-0141** and **press option 2**.
